WTC Navi Mumbai Knowledge Partner for
India-UK Global Business Forum (February 18) 2026, Goa

Together Towards a Global Future

"Collaboration is the bridge that connects ideas to impact, and vision to reality."

The **India-UK Global Business Forum 2026** marks more than an event — it's the beginning of a journey.

A journey of partnership, innovation, and shared purpose between India and the UK, rooted in the vibrant entrepreneurial spirit of Goa.

Through this initiative, **India Economic Development Association (IEDA)** aim to create a bridge that fosters global collaboration, women's leadership, and sustainable economic growth.

Let's continue to build opportunities, open markets, and empower leaders who will redefine global business — together.

The India Economic Development Association (IEDA) is organising the India-UK Global Business Forum 2026, scheduled on February 18, 2026, at Goa. The forum aims to strengthen economic collaboration between India and the United Kingdom with a focus on trade, innovation, and women's leadership. We are pleased to inform readers that World Trade Center (WTC) Navi Mumbai is the Knowledge Partner for this prestigious forum.

We are happy to inform our readers that WTC Navi Mumbai is the Knowledge Partner for this forum. Other supporting industry partners are MACCIA, ICIB and Global Chamber, Goa.

Who Should Attend: Women-led startups from India and self-funded businesses, Venture capital firms, angel investors, and family offices, Trade bodies, embassies, accelerators, and incubators, Corporate innovation teams and industry collaborators, Media, ecosystem enablers, and policy influencers

Why One Should Attend

- For Entrepreneurs & SMEs: Gain insights, build UK market access, and connect with investors
- For Investors: Discover curated startups and women-led ventures from Goa and across India
- For Trade Bodies & Associations: Forge meaningful MoUs and cross-border collaborations
- For Women Leaders: Celebrate and promote women driving change in global business

Event Structure

Inaugural Session: Theme – *India–UK Economic Partnership: From Intent to Impact*, including the welcome address by IEDA, opening remarks by industry and trade representatives, and a contextual overview of the India–UK opportunity landscape.

Plenary Sessions: Focused on the India–UK Trade and Investment Landscape, covering market access signals, incentives, high-growth sectors, and timelines, with clear, actionable takeaways for delegates.

IRON ROSE CIRCLE – Special Focus Session: Dedicated to Women-Led Enterprises in Global Trade, addressing access to capital, partnerships, and international scaling opportunities.

Deal Rooms & Curated Meetings: Pre-scheduled B2B and B2G interactions, supported by advisory desks on trade, investment, and market entry, aimed at converting conversations into next-step actions.

Strategic Roundtable & Closing Session: Focused on strengthening the India–UK business corridor, sharing key insights, action points, and outlining the post-forum facilitation roadmap.

WTC Kansas City Brings Opportunity in Hydrogen Power

World Trade Center Kansas City member, **WindSoHy**, is seeking to develop innovative hydrogen power projects in partnership with interested businesses across several countries in Latin America. The proposed projects are designed to lower electricity prices while helping to build the infrastructure necessary to support hydrogen fuel cell vehicles (HFCVs) for transportation.

In addition to reducing the cost of power and fuel, these projects aim to increase energy independence and strengthen both energy and national security, all while operating with zero carbon emissions. By enabling the expanded use of wind and solar power, WindSoHy's hydrogen power projects are expected to support economic growth and create new jobs. WindSoHy is seeking business partners with experience in the energy industry to help simplify the path toward project completion. Additional information and introductions are available upon request through WTC Kansas City.

For further information, Kindly connect with Ms. Melissa Miller, Director WTC Kansas City. Email: mmiller@kcchamber.com

MahaBharat International Trade Expo 2026

The **MahaBharat International Trade Expo 2026**, presented by the **IMC Chamber of Commerce and Industry** is scheduled from **13th to 22nd February 2026**, the expo will take place at the **MMRDA Grounds, BKC, Mumbai**, offering a dynamic platform for businesses to connect, showcase, and grow.

The MahaBharat International Trade Expo 2026 covers a wide spectrum of industries, including: International / State Pavilion, IT and Telecom, Electronics and Durables, Handloom and Handicrafts, Automobiles (Focus on E.V).

Indo-German Business Opportunities Discussion

Dr. Vivek Arunachalam, Founder of German-India Trade Advisory (GITA) recently visited the WTC Navi Mumbai to discuss Indo-German Business Opportunities and to explore the possibilities of cooperation between WTC Navi Mumbai and GITA. He requested WTC Navi Mumbai to organize B2B Meetings for him with appropriate Indian business counterparts.

Accordingly, WTC Navi Mumbai organized a special meeting session for him and invited few Indian related business persons in the areas of education, industry and export-import. WTC Navi Mumbai invited following persons for meetings and provided the required support for the same:

- ❖ Mr. Krishna Kumar, Workex Group (Education)
- ❖ Mr. Harshwadan Parikh, HardChem Group (Industry & Export-Import)
- ❖ Mr. Anil Srivastav, BGC Group (Joint Venture Opportunities)

Dr. Vivek had a very good discussion with the above business persons in the context of the opportunities he brought from Germany. He also mentioned that during the month of January 2026 he is likely to visit WTC Navi Mumbai to sign the MoU for cooperation for trade and investment promotion between India and Europe.
